

Office Memorandum • UNITED STATES GOVERNMENT

CONFIDENTIAL

DATE: 31 January 1955

TO : Comptroller

FROM : Chief, Finance Division

SUBJECT: The General Mark Clark Task Force

1. Attached are copies of memoranda prepared by the various Branch Chiefs of the Finance Division which indicate the general scope of the subject matter covered by Colonel Lane and the impressions gained of his reaction to his review of Finance Division operations.

2. Colonel Lane visited each Branch of the Finance Division and met each individual employee on duty at the time of his visit. The attached memoranda reflect, in my opinion, a good summary of the discussions with Colonel Lane and his apparent reaction to our operations.

3. Upon completion of his review, Colonel Lane contacted me and indicated that it was his opinion that we have good control and procedures and that proper use of funds should be assured as long as operating elements are required to furnish timely, accurate financial documentation and utilize the service and knowledge available in the Office of the Comptroller. Colonel Lane offered no criticism of our current operation or approach to our responsibilities at any time during his visit.

4. Colonel Lane was furnished no written material by this Division during his visit.
